We made contact with subjects. male did not state he was threatened with any knife. stated there was a group that had words with his son and he went to speak to a mother of one of the kids and male stated he was told afterwards that one of her kids were standing behind her and possibly had a knife. Male never was threatened and never saw a knife. Male also stated he was not threatened and could not provide any names.

Narrative:

Spoke with female afterwards as well. She stated she saw most of this information on a facebook page, she could not

confirm anything
